

# Whiteparish Parish Council

## PARISH COUNCIL NOTES

*From the Meeting held 16<sup>th</sup> November 2017 in the Memorial Centre, Whiteparish.*

### **Inconsiderate Parking**

Concerns have been raised again regarding inconsiderate parking, in particular at the entrance to Green Close and in Highlands Way and the Police have been made aware. Please can residents be mindful of where and how they park, especially near road junctions.

The parking of vehicles on junctions/corners reduces visibility and thus safety. Please take into account emergency vehicles such as ambulances and fire engines. Can they access the area and if so, can they do so without the need to mount pavements? Also please be aware if you are obstructing pedestrian access anywhere, potentially effecting the vulnerable? **Please park considerately and think of others.**

### **Help shape Wiltshire's plans to 2036: Wiltshire Local Plan Review**

Wiltshire Council is reviewing the Wiltshire Core Strategy (adopted January 2015), which sets out planning policies for the development and use of land in the county over the period to 2026 and is used in the determination of planning applications. The review of the Wiltshire Core Strategy (renamed the Wiltshire Local Plan) will extend the period to which the plan relates to 2036. The council is seeking the views of the Wiltshire community on the scope of the review. This is your opportunity to inform the review of the local plan. All comments should be submitted by 5pm Tuesday 19 December 2017. For further information on how to submit your comments please visit the council's website where all the consultation documents and supporting evidence are available:
