**AGM Whiteparish 100+ Club January 20<sup>th</sup> 2018**

1. The 100+ Club is now run under the auspices of the Memorial Trust.
2. The Rules require an AGM - although we can't recall one being held before! These will now be held as part of the Memorial Trust AGM.
3. Membership fell from 228 to 215
4. Hence the prize fund was reduced - £90 each month instead of £100.
5. Rules have been updated to reflect involvement of Trustees and formula for calculating the prize fund. (They are available on village website)
6. More than half of members are now paying by Standing Order which reduces running costs.
7. Public comments and questions.
  1. In order to increase recruiting, could a leaflet or invitation to join the 100+ club be provided for Jane Legat to give out with her "welcome to the village" pack?

Trustees agreed that this was a good idea.

2. Will the 100+ Club year be aligned with the proposed Memorial Trust year?

Trustees stated that this was not planned as the Village Fete was a good time and place for both recruiting new members and collecting renewal subscriptions.

8. The Chairman thanked the public for their comments and support and closed the AGM.
