

Dear Memorial Centre Users,

The Winter Ball, in 2019, raised over £3000 for improvements to the Memorial Centre including a programme of redecoration which has been completed. The Whiteparish Memorial Trust is therefore organising the fifth Winter Ball, at the Memorial Centre, on Friday 10 December 2021

This year the money raised will be used for ongoing projects including refurbishment of the children's play area

As a user or a club, group or organisation that uses the Memorial Centre we would like to thank everyone who has contributed, over the last four years, making the Winter Ball such a successful event and raising vital funds for the Memorial Centre

As the Christmas hampers are so popular raffle prizes we are repeating them again! We are asking for items to fill the Hampers. We ask if you could donate items, either individually or as a group which would help us in this endeavour.

We would like biscuits, chocolates, crisps and crackers, wine, or anything suitable for a lovely Christmas hamper.

***Alternatively, a hamper can be 'sponsored' for £40 and a basket will be filled using that donation. Please contact Sarah Skeates for more details***

Items can be left in my porch at Barters Farm, Common Road (past Brympton Riding Stables and BKG, on the right, as you leave the village) or I am more than happy to collect.

It would be much appreciated if you could you please read this letter out at your next meeting or distribute to your members via email.

Please support this fund raising effort that will benefit so many in the village.

Sarah Skeates

Winter Ball Committee
